FOUR YEARS OF TAKING TEST'S AND ANSWERING QUESTIONS HAVE COME TO AN END.
WE STRUGGLED THROUGH LONG DAYS TRYING TO FIND THE ANSWERS THAT HAVE PLAGUED US
SINCE THE START OF IT ALL.

WHO AM I?
WHERE AM I GOING?
WHAT IS IT ALL FOR?

WE ARE IN A PROCESS OF ANSWERING THESE QUESTIONS AND DEFINING OURSELVES WITH THE
HELP OF OUR TEACHERS AND PEERS, AND BY OUR EXPERIENCES AND CHALLENGES

BUT ONE QUESTION REMAINS: ONE THAT WILL BE DIFFICULT TO ANSWER AND WILL CERTAINLY
TAKE TIME. AND ONE THAT NO ONE CAN ANSWER BUT OURSELVES.

IT IS AN OPEN ENDED QUESTION.

Treasurer: Jennifer Guerra

President Coordinator: Nelson Mota

President of Student Activites: Mariana Pandini

Advisor: Mrs. A. Fernandes

The Senior class officers of 2003 had a great time fund-raising for the Senior prom. They sold pizza and jewelry at the trading post and they also sponsored the homecoming and moonlight dances which turned out to be a great success. Everyone went completely wild at the Teacher-VS-Students Basketball game, another Senior class event, where the students won. In such a great year the Senior officers would like to send out a special thanks to all the teachers, faculty, parents, and students of E.S.H.S who dedicated their time and effort for all these activities.

Retirees

Mr. Rendeiro

As a youth in Portugal, Mr. Rendeiro chose to become a teacher. He always liked helping young people to become well rounded citizens. He started his teaching career at the age of eighteen in Portugal. At the age of nineteen he came to the United States. Before coming to East Side, Mr. Rendeiro taught at Lafayette Street School and Oliver Street School. He also started Seton Hall University at night.

Mr. Rendeiro likes to spend his free time listening to music, reading current events, and spending time with his family. He says he'll miss the colleagues and the students that he met through the years at East Side High School the most. His advice to the graduating class of 2003 is: "Good luck and may all your days be good days!"

Ms. Salinardi

Having started her teaching career 30 years ago, Ms. Salinardi stated that her inspiration was young people. Before arriving at East Side High School's doors, she taught in a number of different private schools around New Jersey. Ms. Salinardi grew up in Jersey City, where she graduated from Lincoln High School and was involved in the Library Council. Successfully graduating from New Jersey City University, she participated in the Psychology Club. In her free time, she enjoys helping others by doing volunteer work. When asked what she'll miss most about East Side High School she replied, "My enthusiastic students." She also said that, "it has been a pleasure working with East Side students." Ms. Salinardi will surely be missed by East Side. Her message to the graduating class of 2003 is, "Continue your education as long as you can."

Roster of Superior Merit

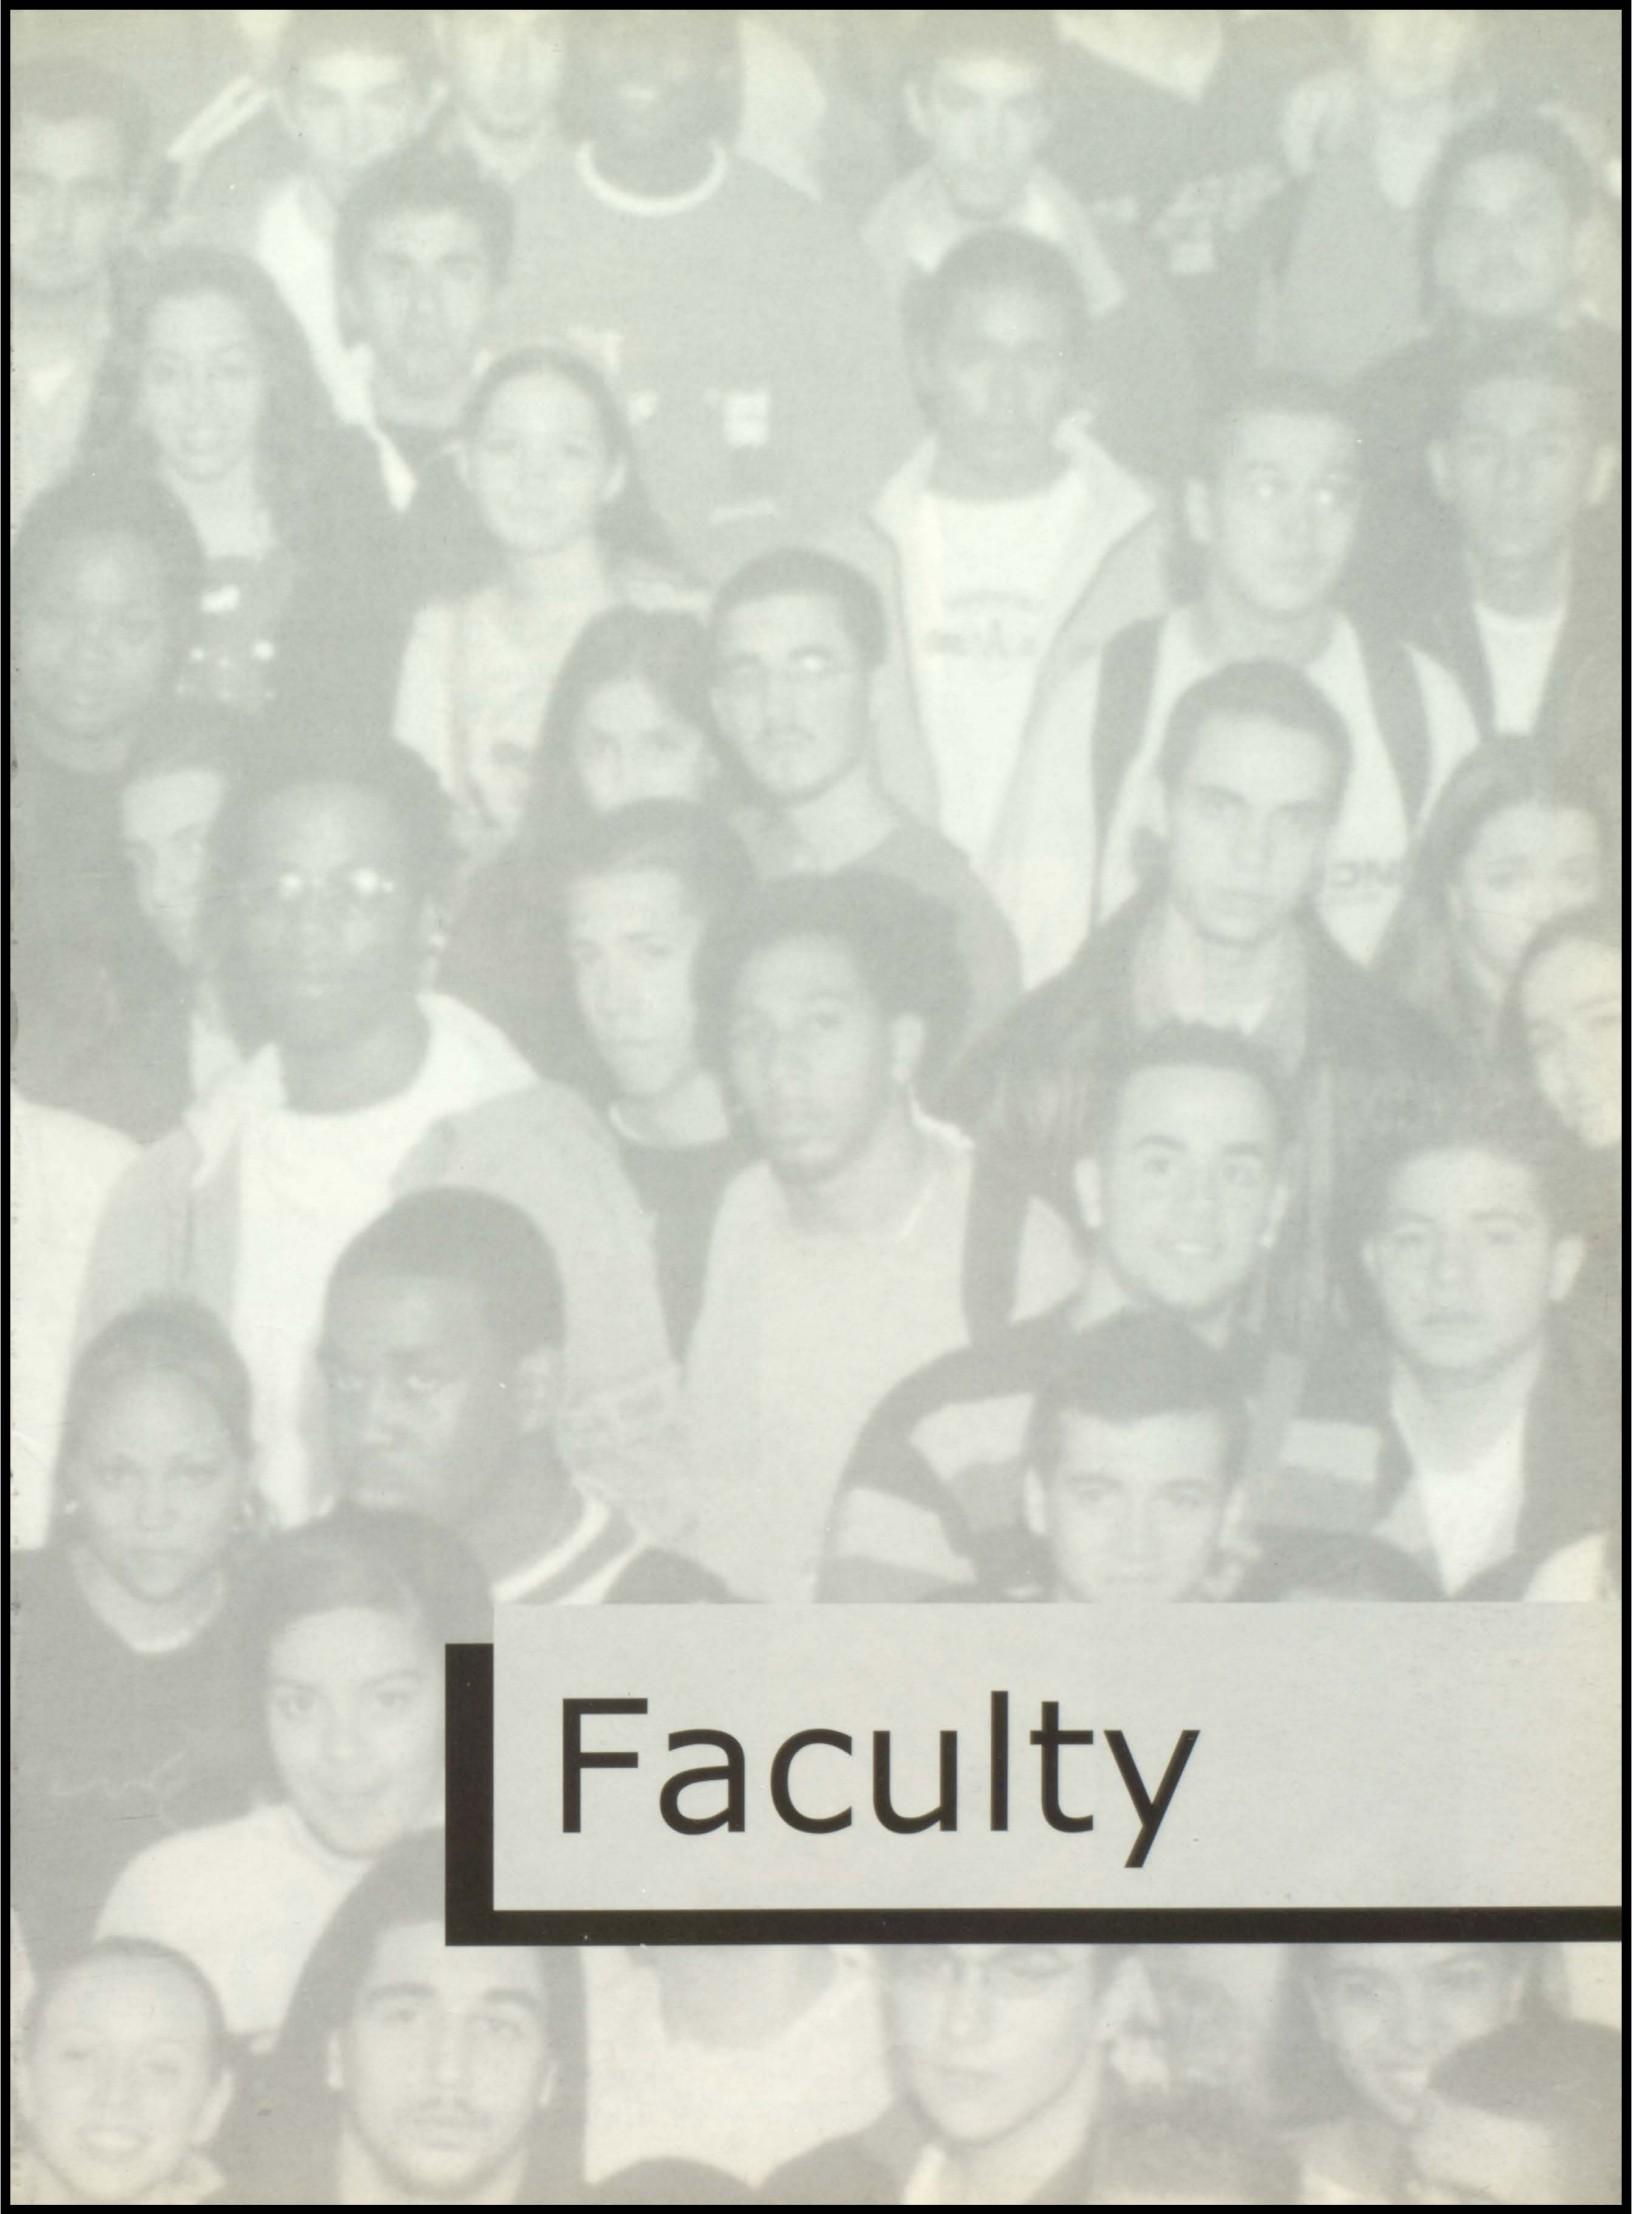

English/Journalism in May of 1980. She then went on to gain a Masters Degree in Public Administration at Fairleigh Dickinson University.

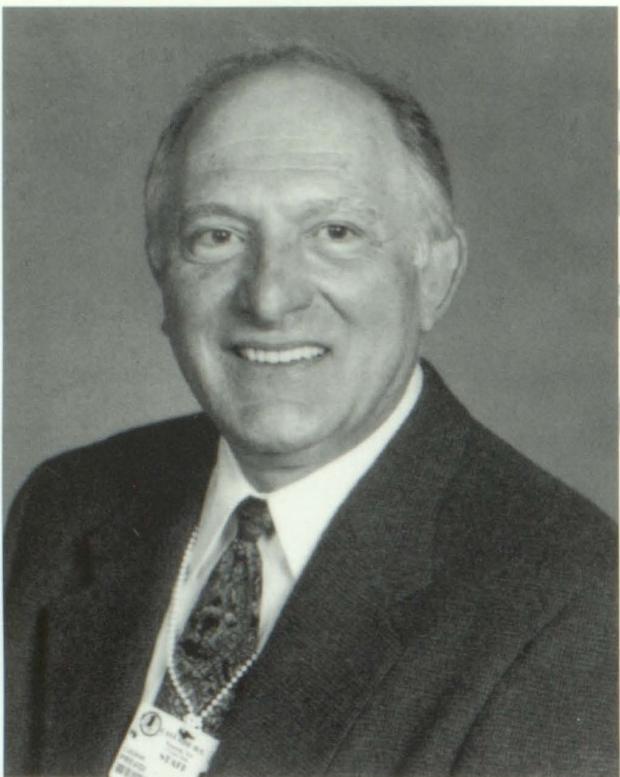

In 1986, Ms. Cirne-Neves became the recipient of the "Distinguished Service Award," by the U.S. Immigration and Naturalization Service. Involved with her community's hospital, she became responsible for St. James Hospital Vision and Strategic Direction. Everyone in our community recognizes Ms. Cirne-Neves as being a strong, spirited, powerful woman. She's also recognized as an energetic, resilient team player whose leadership style and communication skills build and deliver results. Ms. Ceu Cirne-Neves is a definitely an East Side High School success story.

This year's honoree for the Roster of Superior Merit is the administrator of St. James Hospital, Ms. Ceu Cirne-Neves. She proudly graduated from East Side High School in 1976. Ms. Cirne-Neves attended Rutgers University on a scholarship she received from the Portuguese-American Scholarship Foundation. Ms. Cirne-Neves was a recipient of the Rutgers Newark Award for Journalism and Women's Studies. She graduated with her Bachelors of Arts,

As we struggled our way through four long years of point slopes, trigonometric equations, derivatives and the area of a dodecahedron, we would sometimes direct our angst at the person presenting us with these problems. In reality, we appreciate the dedication and patience that our Mathematics Teachers have shown us throughout our years at East Side. The skills we acquired because of their endless efforts are invaluable. We will always remember our teachers with great fondness.

Did you know that one human's entire circulatory system can wrap around twice the circumference of the world? It's interesting things like this that our Science Teachers have taught us. After all the information on formulas, photosynthesis, elements, and neutron stars that has been drilled into our heads, we've learned to appreciate the science of the natural world in which we find ourselves. We thank our science teachers for showing us the complexities of a blade of grass when we would rather ignore it and walk right by.

We would like to extend our thanks to the teachers who have taught us to say "hi" and "thank you" in many different tongues. They have taught us to speak in different languages and helped us to learn the history of different countries. Our foreign language teachers have made learning to speak a foreign language a completely enjoyable experience. Most importantly, with our new language skills, we have learned to encounter difficult situations with great ease. Learning Spanish, Portuguese, Italian, or French has given us the opportunity to travel new roads of experience.

NASDAQ or NY stock exchange? Will the Federal Trade Commission raise interest rates? Will those sky rocketing technology stocks finally bottom out? What does all this have to do with the price of tea in China? We would be lost without our Business Teachers to guide the way. So kudos to them and may their profit ledger always remain in the black!

Our guidance counselors not only provide the help we need but also give us the advice we need to get through our high school years. They help us choose the right path towards college and our futures. Also, at times the guidance office is our excuse to get out of class. We are thankful for having such caring people who are willing to be there for us any time we need them.

Playing strong, and working together our boy's soccer team had an exciting year. This year the team was coached by Mr. Barros and the team captains were Leandro DaSilva- goalkeeper, Michael Lima- forward, and Tiago Pereira- mid-fielder. This year's exceptional performances were shown by Leandro DaSilva, "an excellent goal keeper, with a bright future" and Michael Lima, "an excellent forward with unusual skills who will be successful in his career". Team seniors were: Leandro DaSilva, Michael Lima, Christian Munoz, Diego Ruiz, Nicholas Vieira, Andre Marques, Marco Peralta.

Our boys baseball team, coached by Mr. Duggan, has plowed through the season led by their captains Robert Vidal and Odalis Pena. The captains helped to lead their team to victories, to end the season with a team record of 11-15. Also an exceptional performance by Odalis Pena who led the team with .466 on-base average, 15 RBI'S and 11 for 11 stolen bases. Seniors on the team were: Elvis Peralta, Chris Segarra, Jorge Valdivieso, Hector Velez, Odalis Pena, Robert Vidal, Elvin Gonzalez, and Ruben Gonzalez.

BOWLING

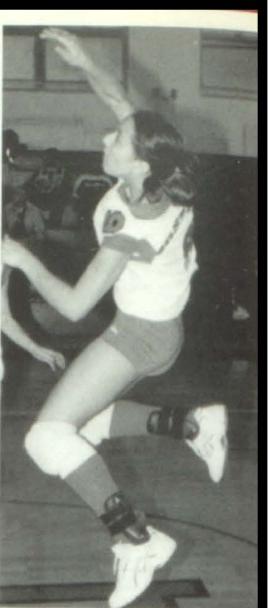

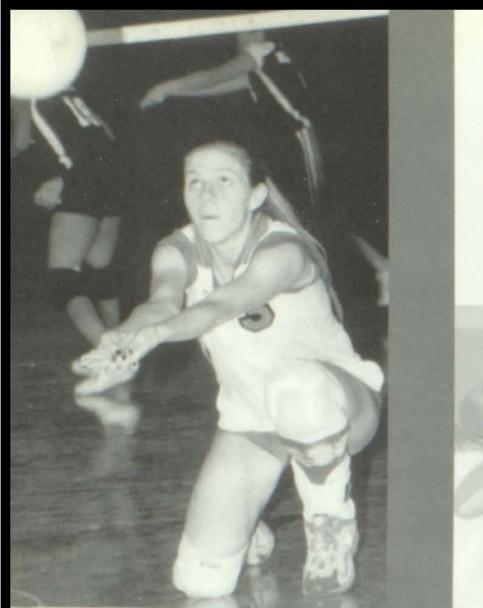

Coached by Mrs. Steele, our Bowling team had a great season this year. The team captain was Scott Mota who's high game for the season was a 243. Other Senior players included Chrystian Munoz, Luis Maldonado, Angelica Cardenas, Daniel Perez, Jose Portorreal and Victor Maldonado. With a group like this it's no wonder they came in third in the Watchung Conference and were featured in the Star Ledger.

GOLF

The East Side Girl's Volleyball team blasted through the year with a ton of victories. Coach De Olivera guided his team to a school best 20-5 season with their only losses coming at the hands of state ranked teams.

BOY'S VOLLEYBALL

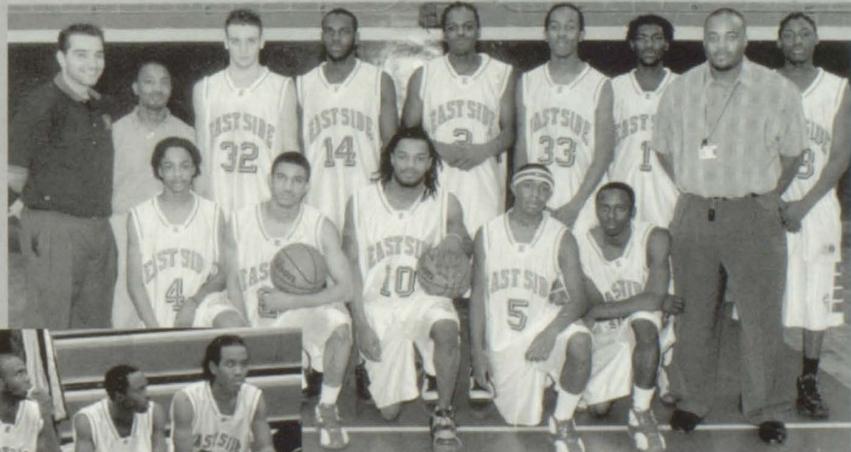

WINNING TRADITION

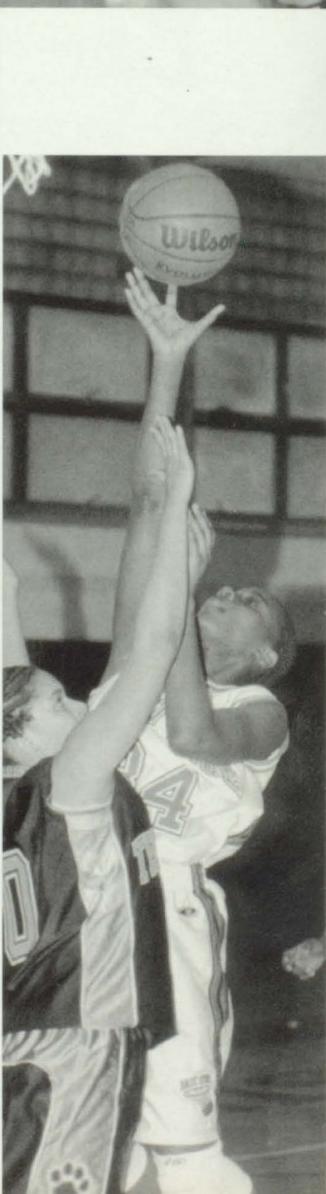

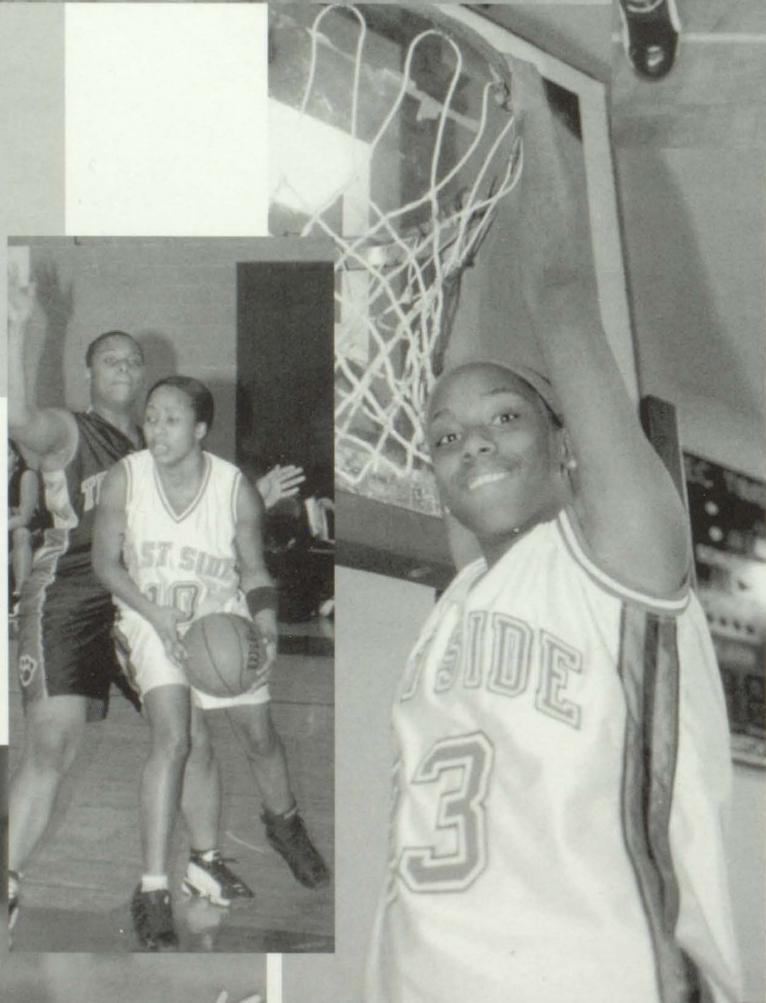

This year the Boys Basketball Team had a tremendous amount of pressure even before playing in their first game. Last year's team won a school record: 29 games with only 2 losses; and, this year's team had three returning starters for another championship run. The year started with another Newark Public Schools Christmas tournament victory. East Side defeated Science, Weequahic and University by an average of 30 points to capture its 2nd straight title and third overall. The year continued in the tough Watchung Conference with East Side winning the conference for the 2nd year in a row with a 13-2 record. The tough battles and senior experience of Dave McSwain, Jeff Carswell and Calvin O'Neil earned East Side the #1 seat for the Essex County Tournament and a possible showdown and rematch with #2 Seton Hall Prep.

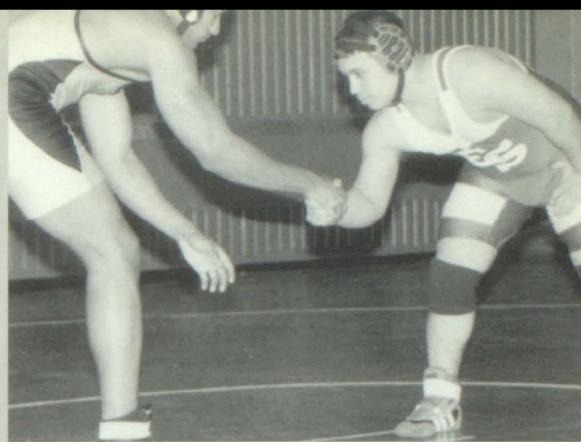

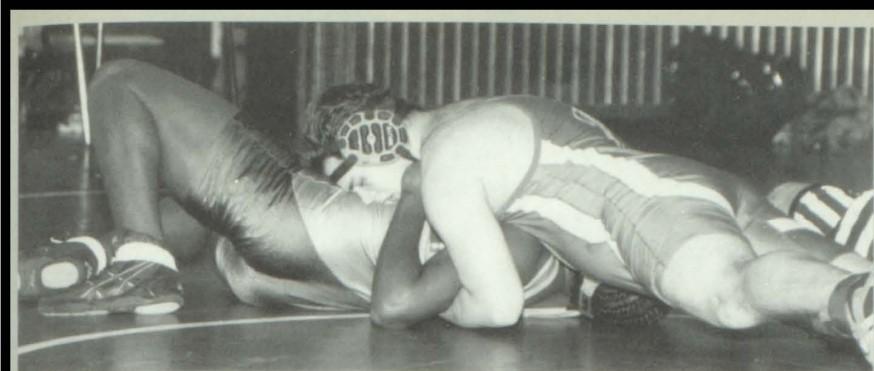

Both teams did not disappoint and made it all the way to the finals playing at Essex County College in front of 3,000 people while treating the fans to an unbelievable game. With East Side trailing by 13 points late in the third quarter, they scored 18 points in a row to take control of the game and earn its 2nd consecutive Essex County Tournament Championship over Seton Hall Prep. Although this year's team did not win another Group IV State Championship, it was another rewarding season. The team finished with a 22-4 record and solidified itself as the best boys team from Newark.

Congratulations to our Seniors who had a spectacular career at East Side with Dave McSwain scoring 1,000 points in his career and winning Essex County Player of the Year. Calvin O'Neil joined him on the first team all Essex County and Jeff Carswell made it to 2nd team all Essex County. Congratulations to Aaron Williams, Steven Edwards, Terrell Mundine and Jamar Key for playing a huge role in this year's Championship season. Coach Garvin and Coach Tavares wish all graduating seniors the best of luck and promise to come back strong next year!

Alma Mater

In the bustling city's bosom,
Like a gem most rare.
Shines the noblest of our treasures,
Shines our High School fair,

In the field, the hall, the city,
Loyal to thy name,
Be it ever our endeavor,
far to spread thy fame,

Then unite in loyal praises,
Ere the glad days run,
In the world are many high schools,
In our heart but ONE.

Chorus

Hail, all hail, dear East Side High School
Green thy memory be;
By the bond of happy hours
Are we bond to thee.

walk through the open doors

greet with open arms

feel with open hearts

keep open minds

travel open roads

like an open book

our lives remain...

...open ended.
